'Al i started to go back and get my gowns and corsets, but I started laughing because I knew something was going on. I knew he was going to marry "It was on my birthday. They called me to see the Queen, and after that there was a series of events. He took me to Kowloon, along the canal to cross the Hong Kong-Macao ferry, and then we went to a ranch for horseback riding and dancing. Afterwards we went to the hotel in a trolley and drove to Sherry Creek. We got there about 4:00 on the 4th of June, 1926.. "For a few days I was living in a house at Sherry Creek with the King and his wife, then we went to a house in the suburbs of Los Angeles and had our reception. Then we rented an apartment in a \$75 a month house at 11101 S. Pacific Boulevard, Hollywood. Once a week we had a \$12 tea and once a week we had an ordinary light dinner. "We went to movie houses and plays. We went driving and swimming. ' "When we had to be intimate, we went to the movies. 'We went ice skating at the Norwood Rink and ice hockey at the Los Angeles Ice-boat Club. We went to a lot of the races. We went to the Kentucky State Fair, and had other things. "Every time we went to town the boy detectives would follow us. They would come to the hotel, and there were routine checks on our room. He didn't tell me why he was being followed.
