Features Key:

Deep combat action. Dungeons with over 300 quest bosses and a variety of monsters are randomly generated. Unlike other RPGs, you can fight massive bosses as one of a party. Online battles and travel with friends and opponents. Travel with your friends as allies, or get into battles with other online players. Dialogue with your party via text, voice, and emoiis. Respond to text conversations using funny emotes while battling enemies, and share words of encouragement to your party members by various ways. Key story events take place across a single stage. During progression towards the final boss, the team that leads to the final boss unearths the story's overarching theme in each boss's battle script. A Perfect Adventure that Lets You Make the World Your Own

A system in which you can freely enjoy and create your own custom maps with a variety of structures. Use planes made of different materials, decorative walls, bridges, alcoves, and traps to create the world as you like it. World-Busting Challenges that Challenge the World and Your Skills A unique and beautiful story hidden in a vast world that is full of exciting drama.

A battle epic where the future of the Land Between and the fate of the Ring of the Elden come into question.
