show a new Activity
screen using Fragment in
RecyclerView? I have a
RecyclerView which is
populated by ListView and
a ProgressDialog. I want

to show another Activity using a Fragment after clicking the Edit button in a specific row. How to do this? Here's my code:

```
public class
CategoryAdapter extends
RecyclerView.Adapter {
private Context context;
private List
categoryItems; public
CategoryAdapter(Context
context, List
categoryItems) {
```

```
this.context = context;
this.categoryItems =
categoryItems; }
@Override public
ViewHolder onCreateView
ViewHolder(ViewGroup parent,
int viewType) { View item
