Call of Duty series, Call of Duty: Black Ops II. Not a few people have predicted that this would be the game to make Call of Duty stand above the infamous World War II clichés and reinvigorate the series once and for all. After seeing it, our correspondent seemed happier than ever. We'd love to know what you think about it, but if you haven't got time to tell us why, we're sure you'll be able to find out soon enough anyway.
